## Welcome to Aegis aged care, a new home where we care for you like family.

Aegis offers superior aged care and insists on the highest professional standards and the very best in facilities and design. However, above all, it's our people who make the difference.

Our carers are chosen for their compassion and empathy for the people in their care.

Aegis continues the tradition of providing our residents with an environment that is as comfortable as possible.

We deliver the kind of care that will help your loved ones live active, healthy, and stimulating lives irrespective of their stage in life.

Our wholistic approach to quality of life covers world-class dining, unmatched recreational activities, and health therapies. The Aegis approach is to nourish the mind, body, and soul.

Being part of this vibrant community means there's always something to look forward to every day. There are friends to be made, family to enjoy, and a social and entertainment calendar packed with stimulating possibilities.

The Aegis Group, owned by two families with a commitment to providing the highest standards of quality and service, was founded in 1983 and has grown to be the biggest aged care provider in Western Australia. The modern purpose-built architecture offers residents with space, privacy, and all the comforts of home. You and your loved ones deserve the peace of mind only Aegis Aged Care can bring.

At Aegis Aged Care, we care like family.
